

# THE JOURNEY

Newsletter for the family and friends of the  
Shell Lake United Methodist Church

NOVEMBER 2024

The Washburn County Food Pantry is asking for your help in getting cookies for their Christmas boxes. Any type of cookie is fine and may be frozen. Clients so appreciate homemade cookies, especially during the holiday season, If you are able to help, please bring your cookies to church by November 24 as we are packing boxes on November 25 and begin distribution on December 3.

Currently WCFP serves approximately 270 families each month. Many are elderly who live alone, or hardworking families that just need some help making ends meet. We are supported in part by local grocery stores, Kwik Trip, churches, and civic organizations.

Items that are always in demand are individually wrapped toothbrushes and toothpaste, deodorant, body wash and bar soap, men's and ladies' Depends.

If you have any questions about cookies or needs of the food pantry, please see Patti Naglosky.

As in prior years, we are asking our church family to help us make our Sanctuary even more beautiful for our Christmas Eve Service with the addition of flowers. Backyard Gardens and Floral is offering our church family the chance to purchase Poinsettias through their shop this year. If you would like to purchase a poinsettia plant through the church, all we ask is that you allow us to have it in church for the Christmas Eve service, and then you are welcome to take it home to enjoy or leave it for the remainder of the Christmas season. All the plants will be delivered to the church directly.

If you are interested, please pick up an order form in the Narthex and return to the church office by Sunday, November 10th with payment. Thank you so much!
